

Sourcing the right product for your trip shouldn't be an EXPEDITION.

To make this easier, Craigdon Mountain Sports has made up this list of a specific range of products ideal for any D of E Expedition. These products are performance led, easy to use and suitable for the variable conditions encountered by Award Participants and Leaders.

The logo for Craigdon Mountain Sports features the brand name in a bold, sans-serif font. 'craigdon' is in a dark teal color, and 'Mountain Sports' is in a lighter, golden-yellow color. The text is set against a dark teal background that has a jagged, mountain-like top edge.
